

TROOP 13
Boy Scouts of America
University City United Methodist Church

December 15, 2009

Dear Parents,

It is time for us to collect our dues for 2010 for Troop 13. We collect our dues in one sum, rather than trying to keep up with weekly dues. The troop committee voted to raise dues by \$5 to cover the rate increase from the council. The dues are \$80.00 for the year for the first boy in the family and \$60.00 per year for each other boy in the family. We use this money to pay for our recharter and to provide for rank advancements, merit badges, materials and the day-to-day costs of running the troop. This price does include his subscription to *Boy's Life* magazine. We will be collecting dues starting December 16, 2009. We would like to have you son's dues paid as soon as possible, with a deadline of February 2, 2010. We must turn in our rechartering materials in February and we need to have all dues by then.

Please return this letter and your son's dues to Gary Conder at the Scout House on a Tuesday. If your son has decided not to continue with Scouting or Troop 13, please let us know so we can update our records.

Scout's Name: _____

2010 Dues Paid: _____ **Date:** _____

Additionally, I want to remind you to continue to check the Troop Website for the Online Calendar, necessary forms and much more information about Troop trips and outings.
